### Subpart 950.70—Nuclear Indemnification of DOE Contractors

#### § 950.7000 Scope of subpart.

This subpart describes the established policies concerning indemnification of Department of Energy (DOE) contractors against public liability for a nuclear incident arising out of or in connection with the contract activity.

[49 FR 12039, Mar. 28, 1984, as amended at 56 FR 57827, Nov. 14, 1991; 74 FR 36368, July 22, 2009]

#### § 950.7001 Applicability

The policies and procedures of this subpart shall govern DOE's entering into agreements of indemnification with recipients of a contract whose work under the contract involves the risk of public liability for a nuclear incident or precautionary evacuation.

[49 FR 12039, Mar. 28, 1984, as amended at 56 FR 57827, Nov. 14, 1991]

#### 950.7002 Definitions.

*DOE contractor* means any DOE prime contractor, including any agency of the Federal Government with which DOE has entered into an interagency agreement.

*Nuclear incident* means any occurrence, including an extraordinary nuclear occurrence, within the United States causing, within or outside the United States, bodily injury, sickness, disease, or death, or loss of or damage to property, or loss of use of property, arising out of or resulting from the radioactive, toxic, explosive, or other hazardous properties of source, special nuclear, or byproduct material. The term includes any such occurrence outside the United States if such occurrence involves source, special nuclear, or byproduct material owned by, and used by or under contract with, the United States.

*Person indemnified* means—

(1) With respect to a nuclear incident occurring within the United States or outside the United States as the term is defined above and with respect to any nuclear incident in connection with the design, development, construction, operation, repair, maintenance, or use of the nuclear ship Savannah, the person with whom an indemnity agreement is executed or who is required to maintain financial protection, and any other person who may be liable for public liability; or

(2) With respect to any other nuclear incident occurring outside the United States, the person with whom an indemnity agreement is executed and any other person who may be liable for public liability by reason of his activities under any contract with the Secretary of Energy or any project to
